## **TEAM MEMBER PLATFORM CANARY WHARF**

Platform is the UK's leading video games theatre, on a mission to take our venues across the UK, Europe and beyond.

We are currently on the lookout for top players to join our ever-growing squad.

Our venues focus on delivering impeccable experiences; never compromising on quality of product & service

It's an exciting time to join us as we enter a huge growth period and transition from a successful start-up to an industry leading organisation.

We pride ourselves on our safe, inclusive and innovative culture and our people first ethic. In exchange for your hard work we offer competitive pay, perks and rewards at every level.

### **About the role**

Our Team Members are the gold stars of our business; working day in and out to ensure everyone that comes to Platform receives a next-level experience.

We are on the lookout for incredible humans seeking a new mission, to form part of our opening team in our brand new venue, based in the bustling district of Canary Wharf.

Whilst you'll be equipped with your special skills (bar experience / service skills / pizza / video games) and will likely gravitate to working within a particular part of the venue, we expect our Team Members to always help each other out. We believe that teaching you everything equips you with the skill-set to develop and progress. We also like our employees to enjoy variety within our venues. However, if you're a stand out superstar in one area, we're all for letting you perform, so long as you share in the mantra: never leave your shipmates stranded!

We're looking for excellent people to form a great team for a very special opening. So whether you have tons of bar experience, a long-standing hospitality history, a penchant for pizza or simply share in our passion and mission, if this sounds like a bit of you, we want you on board for our journey.

We'll be inviting applicants to a recruitment day whereby they'll undergo a fun and gamified session. All successful candidates must be available during the last two weeks of March inline with our training and opening dates.

If you'd like the opportunity to tell us more about why you're a great fit, apply via our application process on our website. Don't forget to include your CV.

We look forward to hearing from you!

**We fully advocate, cultivate and support an inclusive working environment. As an equal opportunity employer, we celebrate diversity and are committed to creating an inclusive environment for all employees. If you need any further information or have any requirements in relation to your application, please don't hesitate to contact our People Team who will happily assist**
